11. 2013 Issues/Ideas Review:

Issue #1: LWC Judging

Potential Solutions:

- Meet judges meet judges day before tournament.
- Possibly look at moving the ILRA World Championships to a different venue
- 2 Volunteers at matches with score cards ensuring matches are running correctly

Issue #2: Amateur Ranking

Potential Solutions:

- Super series can be updated after each tournament to count toward official ranking of juniors.
- Set up an amateur ranking committee?
- hard to rank when they are changing divisions
- Could do an amateur ranking but if they age up, they will not have a rank

Issue #3: Membership

Potential Solutions:

- Log Rolling Applications could go through a USLRA person
- More reminders to people who don't pay
- Have LWC provide e-mails of all competitors
- At dinner night before
- Have somebody in LWC office during entire check-in (Bonnie might need the help!) ALA does this
- Hand out T-shirts at World Championships as incentive

Issue #4: "Rolling Up"

Potential Solutions:

- Level 3 only (when semi-pro is not offered)
- Athletes should pick one division or the other
- Can "declare pro" anytime throughout season but cannot go back once officially declared pro.

Issue #5: Elite Log Time Limits

Potential Solutions:

- set time limits on all logs (issue is some may feel forced into starting on smaller logs)
- Leave it the same
- La Crosse Log rolling Association Log Ranking System

- Mary Ogle (accepted)
- Shary Birdsong ?
- Troy Birdsong (accepted)
- Shayna Magnone (accepted)

Review and approval of Elite submitted Ranking Document.

- *Cannot vote on ranking document until December 1st (in case of another competition announced).*

“Should the Key Log Open be included in the 2014 Elite Log Rolling Rankings”

- *8 “No” Votes*

Reasoning:

- *In February board meeting board voted to approve 2013 rules*

- *Advance notification was sent in regards to rules*

- *USLRA Board Member present did bring up issue and DID NOT vote and agree on “new rule”.*

- *Longview competition was also not included due to time limit issues.*

Discussion around pros and cons of set time limit. Possibly having different option for amateur vs. pros. Namekagon and LWC need a #5 to shorten matches. Decision was made to leave time limits the same, but to not necessarily close the door on this issue for the future.
