5. The competitor who has attended the most tournaments.
6. Coin toss.

Motion to approve Amateur Ranking tiebreak rules for 2017: Carol. Second: Mary.

Motion passed

Clarify Round Robin Tiebreak rules

Determining the Order of Finish

The roller who wins the most matches is the winner. If two rollers are tied, then the winner of their head-to-head match is the winner. If three or more rollers are tied, the

Head Judge/Tournament Director shall use the following steps in the order listed to break all ties. The Referee shall break as many ties as possible using a given step before using the next step. If any step eliminates a roller(s) from consideration, the process should start over with the remaining rollers. If, at any point there become just two rollers left in a tie, then the head-to-head result between these two rollers takes immediate precedence and determines the winner. *Three way tie Example 1: Roller A-14 falls, B-13 falls, C-13 falls. Roller A gets first, B and C go to head to head result. Example 2 Roller A-14 falls, B-12 falls, C-13 falls. Roller A gets first, C gets 2nd and B gets 3rd.*

The tie breaking steps are:

1. the head-to-head win-loss record in matches involving just the tied rollers.
2. total falls won.
3. total falls lost.
4. the roller with the highest percentage of falls won of all falls rolled.
5. random drawing among remaining rollers.

Motion to approve Round Robin Tiebreak clarification: Brian. Second: Shayna. Motion passed.

Elite Boom run eligibility

USLRA boom run eligibility should align with LWC eligibility rules. LWC eligibility rules will be taken into consideration given the limited boom run competitions available to competitors.

Elite Awards

Motion to purchase 2nd & 3rd place awards for elite log rolling and boom run, not to exceed \$300

Motion: Brian. Second: Sam. Motion passed.

Misconduct Policy

From 9/13/15 minutes:

6.) *Misconduct Policy:*

- *Fairness, Language and Conduct are main objectives.*
- *Sam and Olivia are creating a proposal.*
- *Suggestions include: no input taken from Parents of Non minors, 1 warning system, Approval of removal to be granted by 1 USLRA board member AND 1 Tournament Director or their representative, Competitors to sign policy at beginning of season.*
